## IMPORTANT DISCLAIMERS

**Color Variation:** While we strive for accurate product images, slight color variations may occur due to factors like screen settings, lighting conditions, natural leather variations, and slight differences in finishes over time.

The printer of this catalogue follows the specifications of the ISO 12647-2: 2004 norm.

\* **Standard heights for uppers and high stiffeners:** Are based on specific sizes (size 20 for kiddies, 30 for kids). These heights may vary slightly in smaller or larger sizes.
